TWO CUPS OF COFFEE

HOUSE investigators heard testimony from Stanley Bishop, a Washington "tipster," that he gets a three percent commission on whatever business his clients develop from information he picks up in cocktail lounges and government coffee bars. Bishop told the committee: "If you stand around long enough for two cups of coffee, you will get enough information to last a couple of weeks."

Fred M. Bittle Rites Sunday

Fred M. Bittle, age 71 years, well known resident of this community passed away at the Putnam County hospital Friday morning following an extended illness.

Mr. Bittle was born October 14, 1882 in Putnam county, the son of William and Laura Jessup Bittle, and spent his entire life in and near Greencastle. He was married September 25, 1907, to Mary Taylor.

Survivors are the wife; three sons, Robert and George of Dayton, O., and Keith of Greencastle; three daughters, Mrs. Marian McClaine, Greencastle; Mrs. Edythe Wright, Fairborn, Ohio; and Mrs. Freda Jean Rupp, Dayton, Ohio; seven grandchildren, three sisters, Mrs. Nora Hunter, Greencastle; Mrs. Minnie Reilly, Lebanon, and Mrs. Maude Lambert of Indianapolis. His parents and one brother, Roma, preceded him in death.

Funeral services will be held Sunday afternoon from the Reeder Funeral Home. Rev. Dallas Rissler will be in charge. Interment will be in Forest Hill cemetery.

Friends may call at the Funeral Home.

Man Is Rescued After Two Days

OMAHA, Sept. 11.—(UP)—An Omaha rescue squad finally helped an injured 58-year-old man here Thursday after he lay for two days on a concrete railroad bridge abutment with passersby ignoring his pleas for aid.

Harry Hansen, Sioux City, Iowa, told Douglas County Hospital authorities he fell from a Chicago & North Western railroad bridge Tuesday as he was walking with a companion. Hansen fell 12 feet to the abutment, narrowly missing a 35-foot drop into a ravine.

His companion said he would get help but never returned. Hansen said he lay on the ledge Tuesday night and Wednesday morning spotted several passersby and called to them to get help. Several said they would but never heard from him again. One man brought Hansen coffee for which Hansen said he paid his last dollar. The man said he would send help but he did not return.

Hansen's cries finally fell on a sympathetic ear Thursday when a construction supervisor working nearby and summoned aid. At County Hospital, it was found that Hansen suffered a fractured left heel. His condition is described as "good" by hospital authorities.

CO. BREEDING CATTLE TO BE T. B. TESTED

DR. COBBLE SENT HERE BY STATE LIVESTOCK SANITARY BOARD

The Indiana Livestock Sanitary Board, of which Dr. Cobble is a representative, has sent him to Putnam county which has been designated to be among 43 counties within the state to have 100 per cent of the breeding cattle T. B. tested by the end of 1954.

Twenty-one years have elapsed since such a test has been made and records of the U. S. Bureau of Animal Industry indicate bovine tuberculosis is on the increase in this area.

Testing will be done in so far as possible, by local veterinarians. Each veterinary will be assigned a township and upon its completion will move to another. The advantages of this method are obvious. At the farm the veterinarian will be accompanied by a helper. The owner will be notified far enough in advance that he can plan to have his cattle up and render reasonable assistance. Three days after infection, the veterinarian will return to observe each animal for evidence of a reaction. Should an animal react, it must be appraised, branded and shipped to a Federal inspected slaughterhouse. Indemnity will be paid on grade females and purebred breeding cattle.

If the evidence of infection in Putnam county remains below two hundredths of one per cent, another test will not be required for six years. According to the U. S. Census of Agriculture, Department of Commerce, there were 22,809 head of cattle in the county in 1950.

Madison Fetes Returning POW

MADISON, Ind., Sept. 11.—(UP)—Robert O. Ewbank, a repatriated prisoner of war, returned to his Van Buren home near here Thursday to receive the best welcome a small Hoosier town can give its heroes.

The 20-year-old Ewbank was awarded the honor of a ride into town on a fire engine and he was greeted at the town square by his friends and neighbors who closed their businesses, industries and schools to take part in the reception.

The young man, who spent nearly two years in a north Korean prison camp, thanked his well-wishers and declared: "One of the most wonderful experiences I've ever had was when I saw the American flag flying over Freedom Village just before I was released."

In the front row of the crowd was Ewbank's fiancée, Barbara Wilson of Dunkirk, who traveled to Fort Wayne to meet him plane earlier in the day.

Hospital Notes

Discharged Thursday: Mrs. Earl Poynter and daughter, Greencastle R. 3; Odessa Biehl, Coatesville; Virgil Brannaman, Greencastle; Leonard Chatham, Coatesville; Mrs. John Higgins and son, Greencastle R. 2; Mrs. Myron McMains and son, Greencastle R. 3; Charles Sullivan, Greencastle R. 2; Dorothy McCoy, Stilesville.

"SIGHT SAVING MONTH"

INDIANAPOLIS, Sept. 11.—(UP)—Governor Craig today proclaimed September as "Sight Saving Month" to focus attention on the work being done by the National Society for the Prevention of Blindness.

It is estimated that at least 188,000 Indiana youngsters require eye care to prevent complete loss of vision. Nationally, about 60 persons go blind daily, and the society said more than half of this blindness could be prevented.

Craig said "the three horsemen of darkness" were disease, injury and neglect, and the emphasis of the importance of eyesight as a major factor in daily living.

ONLY THE FAMILY CAT WAS KILLED

INSIDE of this San Fernando, Calif., home looks as if an explosion ripped it apart, but this is the damage caused by a trainer jet aircraft that crashed into it near an airport. A policeman looks at the nose of the plane (extreme right). The wrecked plane did not explode or burn and, luckily, no one was killed. Only fatality was a cat (arrow). The Air Force pilot and a civilian passenger were injured.

COMMANDREY NOTICE

Miss Thurow Is Kiwanis Speaker

Miss Jacqueline Thurow, DePauw University senior, who attended Stockholm University last year as an exchange student, was the speaker at the luncheon meeting of the Greencastle Kiwanis Club on Thursday at the DePauw Student Union. Gifford Black presided, and Cloyd Moss, who had charge of the program, introduced Miss Thurow.

Miss Thurow spoke briefly of her experiences as a physical education student at Stockholm University, Sweden. She followed this dissertation with remarks about her trip on the continent this summer, at which time she visited Germany, Austria, Italy, France and England. Colored slides, taken by the speaker while abroad, added to the interest.

Guests of the Kiwanians were several ministers attending the annual School of the Prophets being held at DePauw University.

Golfer Drowns On Fishing Trip

DULUTH, Minn., Sept. 11.—(UP)—Harold Clasen, one of the state's widely known professional golfers, drowned Thursday night when his boat overturned while he fished at Island Lake, 15 miles northwest of the city.

Clasen, professional at Duluth's Northland Country Club, toppled into the water while changing seats in the boat, according to companion Arthur Asplund, 51, head greens keeper at Northland. Asplund hung onto the overturned boat until help arrived.

Clasen's body was not recovered late Thursday night.

FARMER DROWNS

WHEATON, Minn., Sept. 11.—(UP)—A Cub plane, apparently flying too low, crashed into Lake Traverse Thursday night and one man drowned trying to swim to safety from the sinking craft.

Merrel Ward, about 30, and Coby Lindner, about 20, both Traverse county farmers, got out of the plane's cockpit and started toward shore 200 yards away. About half-way, Lindner was picked up by fishermen but Ward sank before they could reach him, according to Traverse County Sheriff George Schmitz.

LAYMEN WILL HEAR BISHOP THIS EVENING

BANQUET IS FEATURE OF 3-DAY SESSION ON DPU CAMPUS

A second invasion of Methodists is taking place on the DePauw University campus this afternoon as the third annual Institute for Methodist Men opens for a three-day session.

Several hundred Methodist laymen unpacking in the university's dormitories soon after more than 500 ministers of the same denomination closed their suitcases on the week-long School of the Prophets.

The 1953 laymen's institute will feature a banquet this evening in DePauw's Student Union, where the main address will be delivered by Indiana area Bishop Richard C. Raines.

Other participants include Dr. Howard Thurman, pastor of San Francisco's Fellowship Church; Judge Newell Lamb, Newton County Circuit Court; and Don Calame, Chicago, head of the Methodist Men's department of the General Board of Lay Activities.

Also, Rev. Lawrence Lacour, Iowa-Des Moines conference evangelist; C. R. Paul, lay leader of the Alabama Conference; and three Hoosier lay leaders—Harold Phend, Northwest Indiana conference; John Hoadley, Indiana conference; and Homer Reese, North Indiana conference.

According to the institute director, Dr. Edwin R. Garrison, administrative assistant to Bishop Raines, workshops will be held on four topics—"Christian Citizenship," "Stewardship," "Methodist Men in the Local Church," and "Christian Evangelism."

Registrar of the institute is Dr. Orville L. Davis, director of church relations at DePauw; and Prof. George Krueger of Indiana University will direct the choral music.

Durkin Quits Cabinet Post

WASHINGTON, Sept. 11.—(UP)—Union leaders today took the resignation of Labor Secretary Martin P. Durkin as a signal for open political warfare with the Eisenhower administration over revision of the Taft-Hartley law.

They predicted that any attempt by President Eisenhower to heal the breach by bringing another union leader into his cabinet will be rebuffed.

Administration sources said it was unlikely Mr. Eisenhower will even try to make peace with labor in that fashion. They said he has been urged by key White House advisers to go outside the ranks or organized labor to find a successor to Durkin.

GET PAY INCREASE

TERRE HAUTE, Ind., Sept. 11.—(UP)—Employees of Allis-Chalmers manufacturing Co. here and at LaPorte will receive a three-cent hourly cost-of-living pay increase, it was announced today by a representative of the firm.

ATTEND FAIR SCHOOL

4-H Club girls from Putnam county who are attending the Indiana State Fair School of Home Economics are Miss Nancy Rowings, Miss Beverly Huller and Miss Nancy Fordice. While there the girls learn many things concerning homemaking.

Local organizations sponsor the girls to the school which lasts 11 days.

Miss Fordice and Miss Huller will both enter Purdue University this month.

STATEWIDE CONFERENCE

INDIANAPOLIS, Sept. 11.—(UP)—The prevention of thefts from interstate shipments will be considered here next Tuesday at a statewide conference in the war memorial building. Leonard Blaylock, special agent in charge of the Indianapolis FBI, said the meeting will be open to representatives of common carrier agencies and law enforcement officers.

BULLETINS

RABAT, Morocco, Sept. 11.—(INS)—A dagger wielding Moroccan tried to assassinate the new sultan of Morocco today shortly before Moslem prayer services but was shot and killed by the Sultan's guards.

Sultan Mohammed Ben Arafa El Alaoui was unharmed although he was shaken when knocked from his horse by the would-be assassin who drove an automobile through the guards shielding the sultan.

WASHINGTON, Sept. 11.—(INS)—Chairman Samuel K. McConnell Jr., of the House Labor Committee said today he knows of no basis for Martin P. Durkin's assertion that the White House agreed to support 19 changes in the Taft-Hartley Act.

McConnell participated in a long series of conferences on Taft-Hartley changes which took place during the spring and summer. Others who took part in these talks included Durkin, the late Sen. Robert A. Taft, R., Ohio, and Commerce Department and White House staff officials.

DENVER, Sept. 11.—(INS)—A White House spokesman said today there is little likelihood President Eisenhower will name a new chief justice before his return to Washington late next week.

MUNSAN, Sept. 11.—(INS)—A Communist spokesman admitted today that some American airmen are still being held by the Chinese Communists.

Wilfred Burchett, correspondent for a Paris Communist newspaper, said the Chinese claim the flyers were shot down over Manchuria and are "not regarded as prisoners of war."

Burchett asserted the release of the airmen could probably be effected only through "diplomatic channels."

He would not say how many prisoners were being held by the Chinese.

WASHINGTON, Sept. 11.—(INS)—The Army today flatly denied a charge by Sen. Joseph R. McCarthy that a military analysis of Soviet life issued during the Truman administration was "clear cut Communist propaganda."

McCarthy immediately accused the military of giving him "less cooperation" in his hunt for subversives than any other branch of government.

MOSCOW, Sept. 11.—(UP)—Pravda welcomed North Korean Premier Kim Il Sung to Russia today and said the Soviet Union will do everything possible to insure a "peaceful life" for his people.

The Communist Party newspaper said in an editorial the Korean armistice was an important step toward peace which lessened international tension but warned that "peace-loving nations cannot forget that international aggressive forces have not abated their evil designs."

CHICAGO, Sept. 11.—(UP)—The Brotherhood of Locomotive Engineers will demand wage increases of "at least" 37 1/2 cents an hour in coming contract negotiations with the nation's railroads.

Guy L. Brown, grand chief of the union, made the announcement of the demand Thursday at a meeting here of BLE general chairmen mapping negotiations plans.

INDIANAPOLIS, Sept. 11.—(UP)—Former Gov. Henry F. Schricker is going into the fire insurance business, it was learned today.

Stock is being sold in a new million-dollar company, being formed both by Republicans and Democrats. It was expected Schricker will become company president.

The new company, tentatively named Union National Fire Insurance Co., will sell insurance in Indiana and later expand to other states. Insurance authorities said it will be a "very large" operation. It was reported J. Carl Suverkrup, Columbus, chief examiner of the State Insurance Department, will be a key member of the firm and will later resign his state post.

FOES OF CRAIG HURL CHARGES ON BEER PLAN

SAY GOVERNOR IS TRYING TO BUILD HUGE POLITICAL MACHINE

INDIANAPOLIS, Sept. 11.—(INS)—Foes of Governor George N. Craig charged today that he is trying to create a huge personal political machine by means of his plan to have the State handle the \$100-million-a-year beer wholesaler industry.

The Governor's enemies pointed out that some 3,000 new jobs would be created by having State-paid workers manage and comprise the personnel of the beer wholesale establishments, which now number 209.

This personnel, named directly by the Governor, could comprise a political machine far superior to the present beer setup and even more potent than the automobile license dealerships. Most of these new employees would be fairly well paid, under current conditions.

It also was pointed out that the Governor could dethrone many leaders of the Jenner-Caphart faction now holding beer wholesalerships, if his proposal became law.

Tempting possibilities for graft also were visualized in purchase of various brands of beer by State officials. Fifty-six brands of beer now are being sold in Indiana. This number could be restricted to political or monetary favorites, if the State buys the beer, it was said. Ohio, which maintains State liquor sales, suffered a liquor purchase scandal some time ago.

The Governor maintains stoutly that the present beer setup needs fumigation and that his plan might take beer out of politics.

The State also would make \$1 million a year, according to Craig.

Lieut. Gov. Harold Handley, long-time political enemy of the Governor, however, said Craig's plan is "not the American way" and predicted the General Assembly never would authorize it.

If there is a special session of the Legislature to finance a State office building, indications are that the Governor's new beer proposition may be on the agenda. However, there is no doubt that it will have a rocky road in the Legislature. There is a hard core of Jenner-Caphart State senators which wrecked the Governor's reorganization scheme only a few months ago and there are no indications that these senators have softened in their attitude toward Craig.

These anti-Craig activities were managed by Handley and Senator John W. Van Ness, Senate GOP floor leader.

There likewise is much anti-Craig sentiment in the House, although to a lesser extent than in the Senate.

COUNTY FACES INCREASE IN '54 TAX RATE

AS THEY STAND NOW CALL FOR HIKE OF 31.7 CENTS

County Council, which adjourned Thursday afternoon, following a three-day study of the county budget for next year, set a rate of \$107.7 for operation of the Tax Adjustment Board.

	1954	1953
Hospital	\$.08.7	\$.05
Welfare	.19	.21
Revenue	.80	.40
Fund	.10	.10
Bldg. Fund	.10	
Total	\$107.7	\$ 76

The proposed budget calls for a 31.7 cents hike in the hospital rate. Welfare has been reduced by a jump of 20 cents. The accumulative building fund for the county hospital with a rate of 10 cents.

It now stands the county rate 31.7 cents higher than current rate. However, it is expected that this figure will be lowered by the Tax Adjustment Board which will convene Monday to study all the rates of the various taxing districts proposed for 1954.

Russellville Girls Win Honors

Evans and Deanna Goff of Russellville Busy Bees 4-H won top honors in the Farm Home Electric Special Demonstration Contest which was held at the Youth Building at the Fair Grounds September 10. This contest was sponsored by the public utilities and REMC companies of the state. The demonstration, which won the girls their honors was on making appliances.

Evans and Deanna received 19 gold Waltham wrist watches, and their coach, Mrs. Betty Rice, Both Sue and Deanna have been giving demonstrations since they enrolled in the work five years ago. This is the first year they have been able to compete in the contest. This same demonstration was named as district champion in the regular 4-H contest at Terre Haute, but in the contest case was selected as the champion on its merits as related to the electric project.

The girls are scheduled to appear on WFBI-TV next week.

Would Replace County Homes

FRENCH LICK, Ind., Sept. 11.—(UP)—A proposal to replace French Lick county homes with co-operated institutions was voted late Thursday by state health commissioner Dr. L. E. Burney as an aid in solving the aging population problem.

Burney said the increasing number of elderly persons in the United States is creating a serious health problem. He told a governmental research association meeting here that a number of factors have combined to change the nation's population from one of young people to one

Reds Attempting UN Infiltration

WASHINGTON, Sept. 11.—(INS)—Sen. Joseph R. McCarthy, R-Wis., said today his Senate investigating subcommittee is looking into Communist attempts to "infiltrate" the United Nations.

He said a witness at a closed session Thursday told of Communist efforts to make the U. N. "an instrument of value to the party."

The witness—whom McCarthy did not identify except to describe him as a "high functionary" of the party for 21 years—was scheduled to appear at an open hearing of the subcommittee today.

The Wisconsin Republican said the witness was expelled from the party in 1950, after holding high Communist offices in New York state.

McCarthy meanwhile announced that his subcommittee will hold hearings in New York starting Monday. He did not disclose what the new hearings will cov-

er, but said counsel for Senate Foreign Relations Committee and Internal Security Subcommittee will be present. These hearings presumably will have something to do with United Nations employment.

Old Gold Drills For Grid Opener

Every position remains wide open on DePauw's 1953 eleven as the Tigers wrap up their second week of two-a-day practices; and the resultant competition is paying off in increased spirit for this year's Old Gold edition.

First game for Mike Snively's men is at Evansville in a night engagement Sept. 19.

Main problems still facing Snively and his assistant are two shortages—experience and size. Only ten lettermen are available in the line and three in the backfield.

At quarterback, where the Tigers have no letter-winners, sophomores Rick Appleman and Jerry Burand are being pushed hard by a pair of Hoosier freshmen—Don Boveri from Lafayette Jeff, and Gary Jones, Terre Haute Garfield.

Veterans Art Bryant and Jack Beabout currently have an edge at halfback, where another letterman, Bill Fearer, and sophomore Fred Williams, 186-pounder, give the Bengals some depth.

Fullback, another position without a returning letterman, is up for grabs between Junior Bob Edmunds, freshman Marion Wingard from Warsaw, and sophomore Jay Sterling.

Snively is blessed with a quartet of experienced ends—Bill Wooden, Dick Nowling, Dick Sharp, and Ken Berg; but he's not so deep in tackles. Bob Huffman and Dick Brant both are lettermen, but Jim Wyssong is pressing them for a starting berth and Jack Rogers is in the picture.

Leading candidates at guard are three veterans—Jack McNairy, Gary Rutledge, and Bob Fink—with two sophomores—John Rikhooff and Bill Taylor—making things interesting. Dick Waddell, an award-winner, has priority at center, followed by Bergen Parkhill, another sophomore.

William Fredrick Parrish, son of Mr. and Mrs. Harry Parrish, 7 years old today, Sept. 11.

REVIVAL HERE

The Youth Fellowship of the First Baptist Church is sponsoring a six nights series of revival services to begin Monday evening September 14 to continue through September 20.

The youth group has secured the services of Rev. William Fleming of Spencer, Indiana as evangelist and Rev. Kenneth Neuschwander of Waldron, Indiana as their director of music.

All organization work as well as home visitation has been completed and two youth choirs will be ready and waiting for the visiting music director.

Special prayer services have been held in the church and in church homes and it is believed that Rev. Fleming will find the church ready to receive the gospel messages which he has been bringing in many parts of the Indiana Convention.

The services will begin each evening at 7:30 and the public is cordially invited to attend these meetings.

COUNTY HOMES

There are approximately 13,000,000 people in the United States 65 years of age and this group is increasing by 400,000 each year," he told the group. "The majority of these persons have a chronic illness or disability," he said.

Dr. Burney said this crippling toll could be reduced by preventing disease occurrence and complication by early detection and therapy.

He also recommended expansion of public health nursing and a decrease in the number of county homes, the majority of which he said were "completely unsuited" for use as nursing homes and should be closed.

"Indiana has 82 such homes and would be better off with a maximum of eight or 10," he said.

Priscilla Club Meets Monday

The Modern Priscilla Club will meet Monday afternoon at 2:30 at the home of Mrs. Ivan Ruark.

Geneva Bartley Hostess To Golden Circle Club

The August meeting of the Golden Circle Club was held at Geneva Bartleys. There were nine members and five children present.

The morning was spent socially and at noon everyone enjoyed a fried chicken dinner.

Afternoon the president opened the meeting. Each member answered roll call with her pet peeve. The secretary's report was read and approved.

After the meeting we all enjoyed contests put on by Geneva and won by Lella and Mary. Our Riley sponsor said to bring a glass of jelly to the next meeting at Mary Allen's. It is to be an all day meeting.

West Marion Club Held Good Meeting

The West Marion Home Demonstration Club had their Sept. meeting at the Methodist Church recreation building with Mrs. Carl Barker, as hostess.

The lesson on "How to be a Successful Parent," was very well presented by Mrs. Carl Barker.

The business meeting was called to order by Mrs. Frank Toney. Eleven members answered roll call by telling of a childhood trip to grandmothers.

Mrs. Carl Nichols gave the Outlook Lesson. Malcolm Wade read the Safety Lesson.

The members will please take notice that the Oct. meeting has been changed to meet with Mrs. Donald Quick.

OBITUARY

Roscoe Laurence Pope, son of Mathew and Sarah Jane Pope, was born in Illinois on March 14, 1885, and with his parents moved to Indiana when he was a small boy. He was married to Effie Sanders in 1905 and to this union three children were born, Edythe, Eileen and Marion. His wife died in the fall of 1922.

On Feb. 11, 1924 he was united in marriage to Mrs. Asa Burkett. To this union two children were born, Omar, of Indianapolis, and Sarah, of Greencastle. The last time Mr. Pope came to see his daughter, Sarah, was on June 16th and she knew it couldn't be long before he would enter into eternal rest. He passed away on July 18, 1953.

DRIVE IT! PRICE IT! Then Compare The Deal!

Even a picture tells you a great deal about Pontiac's beauty, its long lines and substantial feel. But the best way to appreciate what makes Pontiac such a great value is to get behind the wheel and drive it. Then you'll know you have a real performer in hand. Pontiac always responds with eager, ready-to-go high-compression power—more than any highway will ever require. For all normal driving, the engine can loaf—one reason why Pontiac leads such a dependably long life.

There's a great deal more to the Pontiac story: ease of handling, beautiful Dual-Streak styling, roominess, comfort and luxury. And there is Pontiac's PRICE—actually just a few dollars above the very lowest-priced field!

So come in now and drive Pontiac, price Pontiac, compare Pontiac! We're confident that you'll quickly agree that Pontiac is your best deal!

Dollar for Dollar you can't beat a
Pontiac

Which Suit To Start Important In No Trump
In playing at no trump, it is often important to make the right decision on the question of which long suit to start working on first. Sometimes, as in today's deal, it is necessary to work on two long suits "at the same time."

The bidding:

Here is what I mean, Mr. Abel got the five of spades opening

and won in his own hand with the king. He gave considerable thought to his next lead. Should he go after diamonds or clubs first?
Diamonds were solid from the king to the eight. If one opponent had the ace of diamonds singleton or doubleton he could not shut out dummy and four diamond tricks would be available. Then, if Mr. Masters had the king and only one other club, three tricks would be available in that suit—enough for game.
Not too good a solution, but anyway Mr. Abel led the jack of diamonds at trick two. He played low from dummy and the jack won. Next came the 10 of diamonds which also held. Obviously the dummy was now

dead and Mr. Abel shifted to the ace of clubs and followed with the queen. Mr. Masters won with the king and returned a spade, clearing the suit. Mr. Abel cashed three more club tricks but ended up with just eight tricks.
He should have alternated diamonds and clubs as follows. At trick two lead the jack of diamonds an overtake with dummy's queen. Mr. Masters' best play would be to duck.
Now lead back a club and finesse the jack. Lead the 10 of clubs and overtake with dummy's king. Mr. Masters would have no winning defense. If he ducked again, another club finesse would bring in five tricks in that suit which, with two diamonds and two spades,

would make the game.
If he played the ace of diamonds and returned a spade, Mr. Abel would win, enter dummy with the nine of diamonds, run the rest of that suit, then take another club finesse and make 5-odd.
